

Digital Calendar Connection

Physical Calendar That Syncs With All Devices

Have you ever...

Missed an event?

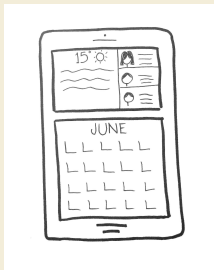

Forgot your chores?

Failed to find your friends or family?

A wall-mounted calendar to display family agendas that syncs to other digital calendars on cell phones and wearable devices.

Solution

Digital Wall Calendar

Syncs with all devices

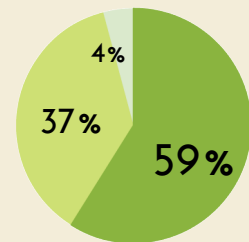

Wearable Device

"I would REALLY like one!"

"It would be great if I could hold down to drag items around for rescheduling"

"Turn into an alive portrait like the ones in Harry Potter."

Use paper calendars
Use digital calendars
Use both
