03 Lost Report

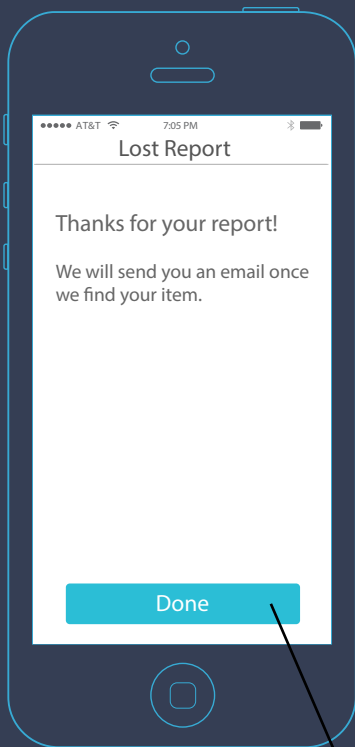

The screenshot shows a mobile application interface for reporting a lost item. At the top, there is a status bar with 'AT&T', signal strength, Wi-Fi, time '7:05 PM', and battery level. Below the status bar is a navigation bar with a blue back arrow and the text 'Lost Report'. The main content area contains a form with the following fields: 'I lost a ...' (with a text suggestion box), 'Category' (with a right-pointing arrow), 'Brand', 'Color' (with a right-pointing arrow), and 'Other Information'. At the bottom of the form is a large blue button labeled 'Report'. The entire interface is framed by a blue outline of a smartphone.

Brings up a list of potential answers. If "Other" is selected, the user can type in the box.

This box can be typed in. It uses word suggestion. The entry may change the other sections below it.

Submits the report. Leads to Lost Report Feedback page (04).

04 Lost Report Feedback

Leads to the Home Page (02).

05 Found Report

Brings up a list of potential answers. If "Other" is selected, the user can type in the box.

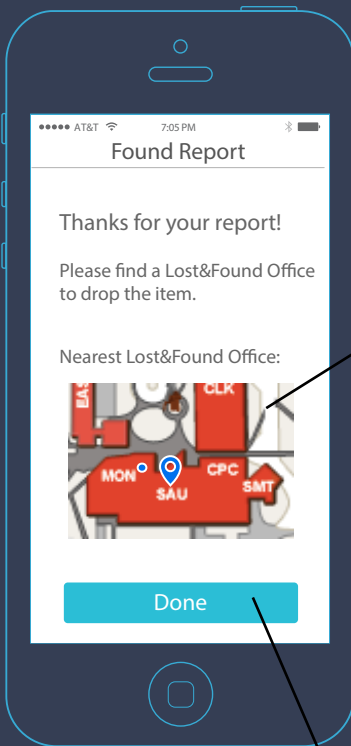

The screenshot displays the 'Found Report' form on a mobile device. The form includes a text input field for 'I found a ...', followed by dropdown menus for 'Category', 'Brand', and 'Color'. Below these is a text input field for 'Other Information'. A camera icon and the text '+ Add a photo' are positioned below the form. At the bottom of the screen is a prominent blue button labeled 'Report'. The phone's status bar at the top indicates the carrier is AT&T, the time is 7:05 PM, and the battery is partially full.

This box can be typed in. It uses word suggestion. The entry may change the other sections below it.

Allows the user to take a picture of the found item for the report.

Submits the report. Leads to Found Report Feedback page (06).

06 Lost Report Feedback

Provides the user with directions to the nearest Lost & Found Office
